Reports.

The British ship *Juliana* reports having spoken the British bark *Effie*, of Boston, and the British bark *Faircloud* on the 28th December, off Sanglepe Island. Had strong N.E. monsoon and

The British ship *Ambassador*, reports having experienced very light winds and calm all the morning; crossed the Equator, in long. 169 E. on the 24th Dec.; off the New Caledonians encountered very clear atmosphere. In the afternoon, at about 3 p. m., saw the sun, moon, and stars at the same time; counted no less than 20 dark spots on the sun and moon on the 13th

The P. O. steamship *Ellena* reports having struck N.E. winds during the whole passage, squally weather and much rain. The new steamer *Sin Maning*, for the North China S.S. Company, which had come through the Suez Canal from Glasgow, was to sail from Singapore on the morning of the 8th inst. The steamer *Appin* was also to sail for Hongkong the same morning. The Messageries Impériales steamer *Duchon*, from Marseilles bound for Hongkong, was to leave Singapore on the 8th instant. The *Ellena* left Gallo one day behind time, on account of late arrival of the *Surat* from Suez.
